

Product code	Color
117103	Silver

General specifications

Product type	: Ceiling and wall mounted
Description	: With double light
Indoor/outdoor lights	: Outdoor
Applications	: Walkways, Display areas, Shopping centres, Facades of buildings, Arcades

Lighting specifications

Lamps description	: MT 35W G12
Number of heads	: 1
Number of lamps	: 1

Physical specifications

Finishes	: Metal paint with a special anti-oxidising treatment
Mounting type	: Wall - surface
Materials	: Die-cast aluminium
Gaskets	: Silicone
Screws	: Stainless steel

Electrical specifications

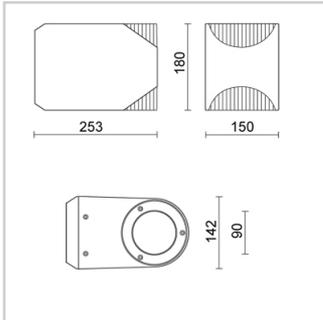

Control gear availability	: Included
Control gear mounting	: Integrated
Control gear type	: Electronic
Voltage (V)	: 230/240
Frequency (Hz)	: 50/60

Weight and dimensions

Length (mm)	: 253
Width (mm)	: 150
Weight (Kg)	: 3.9

Optical specifications

Aiming	: Fixed
Light distribution	: Symmetric
Light emission	: Up-down light
Safety glass	: Grinded, tempered 8 mm, heat resistant and shockproof
Reflector	: 99.9 pure aluminium
Frame	: Die-cast aluminium
Note	: With fixed reflector (horizont. lamp)
